

Alex Kumar

Computer Science Student

alex@student.edu | +91 9876543210 | Bangalore, India

PROFESSIONAL SUMMARY

Passionate about ML and full-stack development. Seeking internship opportunities in AI/ML and software engineering.

EDUCATION

B.Tech Computer Science

IIT Delhi | Expected: 2026 | GPA: 8.9/10

EXPERIENCE

ML Intern - Google

3 months

* Developed NLP models for sentiment analysis using Python and TensorFlow. Improved model accuracy by 12%.

Web Dev Intern - Startup XYZ

2 months

* Built interactive React dashboards with SQL backend. Deployed via Docker.

PROJECTS

Sentiment Analyzer

Built an NLP sentiment analysis tool using Python, LSTM networks, and TensorFlow. Trained on 50K tweets.

Skills:

Data Pipeline

ETL pipeline for analytics using Python, SQL, and Docker. Processed 1M+ records daily.

Skills:

Portfolio Website

Personal portfolio built with React and deployed on Vercel.

Skills:

TECHNICAL SKILLS

Python: 9/10 | Machine Learning: 8/10 | React: 7/10 | SQL: 6/10 | TensorFlow: 7/10 | Docker: 5/10 | Git: 8/10

CERTIFICATIONS

* AWS Cloud Practitioner

* Google ML Crash Course
